

## **Statement Concerning Gaussian Software**

I declare that I am an academic member of the Centre for Advanced Computing and as such entitled to use the Gaussian software residing on CAC computers. Access and usage are governed by the license agreement between CAC (formerly HPCVL), Queen's University, and Gaussian, Inc.

I further declare that:

- I have read and understood the license terms and will abide by them,
- I will use the software exclusively on CAC computers,
- I will not give access to the software to any third party, particularly to non-members of the Centre for Advanced Computing,
- I will not make or distribute copies of it outside of the CAC machines for which it is licensed,
- I will cite the authors of the software in research publications, as outlined in the license.
